COVID NATIONAL EMERGENCY MUST END

(Mr. LAWLER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAWLER. Mr. Speaker, I rise today to applaud the House for passing the Pandemic is Over Act, the Freedom For Health Care Workers Act, the SHOW UP Act, and for ending the national emergency.

I was in the New York State Assembly when the COVID vaccine mandate was passed, and I argued vociferously against it. Even then we knew it would cause irreparable damage to our

healthcare facilities, forcing thousands of healthcare workers out of their jobs, and we were right. That is why it is so important for Congress to take this step and right that wrong.

Another refrain I hear over and over again from my constituents is that we need to end the national emergency declaration. We get calls every day in my office from small business owners, teachers, carpenters, and other constituents who simply don't understand why we haven't fully reopened our State and country.

COVID cases have dropped dramatically across the country, and the number of cases today compared to the same date last year are down over 600,000 cases. The fact is that this no longer constitutes a national emergency, and we should absolutely end the declaration.

Mr. Speaker, I urge the Senate to pass these important pieces of legislation and encourage the administration to accelerate their timeline on this important matter.

CELEBRATING BLACK HISTORY MONTH

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to celebrate Black History Month. This month, we celebrate the tremendous contributions of African Americans to the growth of our Nation.

Just one example of that contribution is the beautiful edifice that we are in today. It was built by people who were uncompensated for their work, but it is a beautiful testament in our Nation's example.

Black History Month started as Negro History Week in February of 1926. That week was chosen because it included the birthdays of President Lincoln and famed abolitionist Frederick Douglass.

In 1976, they expanded it and created Black History Month.

Today, African Americans make a difference in every aspect of American life and highlight the fact that the African-American story is the greatest success story in our Nation's history.

TRIBUTE TO DR. CHARLES MACDONALD

(Ms. LETLOW asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. LETLOW. Mr. Speaker, I rise today to pay tribute to Dr. Charles MacDonald, an outstanding public servant who has left an incredible legacy across the State of Louisiana.

Dr. MacDonald dedicated his career to education—working as a high school teacher and principal before becoming an administrator at the University of Louisiana Monroe.

After working 17 years on ULM's campus, Dr. MacDonald won a seat in the Louisiana House of Representatives. While serving in the legislature, he authored the bill that created the

Taylor Opportunity Program for Students, or TOPS, a scholarship program which has enabled hundreds of thousands of Louisiana's best and brightest to obtain a college education. I was fortunate to be one of the first recipients of the program over 25 years ago.

To this day, Dr. MacDonald's work in higher education continues, as he currently serves on the Louisiana Board of Regents.

He has been a mentor and friend to so many, including myself, helping guide young educators on their career paths, and we are so thankful.

Mr. Speaker, today the House honors an outstanding Louisianian, Dr. Charles MacDonald.

SUPPORT REPRESENTATIVE OMAR

(Ms. MCCOLLUM asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. MCCOLLUM. Mr. Speaker, I rise today as a Representative from Minnesota's Fourth Congressional District in support of my colleague, Representative ILHAN OMAR, of Minnesota's Fifth Congressional District. Together, we are the Twin Cities.

Representative OMAR, alongside of our colleagues, Representatives SCHIFF and SWALWELL, have been unfairly targeted for removal from committees, despite their valuable experience, their expertise, and their perspectives.

The American people elected us to solve problems, to strengthen Social Security and Medicare, and lower everyday costs. But, instead, there is prioritizing of issues that the Republicans are engaged in as a political stunt—no better than their extreme MAGA members who traffic in hate and violent threats.

My fellow Minnesotans and I see this for what it is: a petty vendetta that not only undermines our democracy, but it puts the safety of those Members at risk. Minnesotans and all Americans deserve better.

Mr. Speaker, I encourage my colleagues to support Representative OMAR and vote "no" on H. Res. 76.

CENSORSHIP OF CONSERVATIVE VOICES FROM BIG TECH CORPORATIONS

(Mr. LANGWORTHY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGWORTHY. Mr. Speaker, I rise today to bring more attention to the censorship of conservative voices from Big Tech corporations, particularly with DIRECTV and AT&T's decision to remove Newsmax, the second conservative-leaning news channel in 12 months, from their programming lineup and their customers' televisions.

The fact that conservatives have this very important outlet stolen from them is simply unacceptable. This is just another great example of the Big
